1. IN THE PRESENCE OF LORD GOD

(Miranda Lewitsky)

standing, acapella

In the presence of Lord God
My light shines through
In the presence of Lord God
I know what to do

In the presence of Lord God
I'm shown how to heal
In the presence of Lord God
I find the will

In the presence of Lord God
I'm given my wings
In the presence of Lord God
I sing in the wind

Today, I firm myself
In the holy name of Jesus, Son of God,
So I can know the truth
and learn how to work

To love my brothers and sisters
And to hold them deep within my heart
To pray for everyone
And to give thanks to God above

2. MOTHER OF THE HEART

(StarAnn)

| Mother of the heart
| Touched me, touched me

Speaking very softly
Set me free

Free from the illusion
Free from the suffering

Perfume of the flower
Golden Mother of the light

Bring peace to our hearts
Bless all the children

The Queen of the Forest
Owner of this light

I called their in the heights
To come bless us

With love in the heart
Love in all of us

3. CÉU DO MAPIA

Oh! Céu do Mapia
The power of the astral
Oh! Céu do Mapia
The celestial presence

I am small, I am small
A very tiny little star
But I shine in the forest
With my Father
Oh! God Omnipotent

I call the sun, I call the moon
I call, Mother of the Earth
Console Oh! My spirit
Illuminate Oh! My thought

I follow with all love
The song of the hummingbird
Giving thanks for all splendors
Of our Master Teacher

The Queen of the forest
And all Divine Beings
With love, truth
Peace and harmony

3. CÉU DO MAPIA

Oh! Céu do Mapia
O poder do astral
Oh! Céu do Mapia
A presença celestial

Eu sou pequeno, Eu sou pequeno
Uma estrela bem pequenina
Mas eu brilho na floresta
Com Meu Pai
Oh! Deus Onipotente

Eu chamo o sol, eu chamo a lua
Eu chamo, Mamãe da terra
Consolai Oh! Meu espírito
Iluminai Oh! Meu pensamento

Eu sigo com todo amor
O cantar do beija-flor
Agradecendo todos primores
Do nosso Mestre ensinador

A Rainha da floresta
E todos seres divinos
Com amor, verdade
Paz e harmonia

4. I CALL ALL CABOCLOS

I call all caboclos
To come to help us
Illuminate all the beings
With the Queen Yemanjá

Illuminate all the beings
To be able to free
The sicknesses of the current
Of Ogum of the seashore

Smudge this house
With the sword in hand
Of my Lord Saint Michael
With the warrior Saint John

I ask all my guides
Firmness in this work
Guide me in this world
And deliver me from all evil

4. EU CHAMO TODOS CABOCLOS

Eu chamo todos caboclos
Para vir nos ajudar
Iluminai a todos seres
Com a Rainha Yemanjá

Iluminai a todos seres
Para poder libertar
Os doentes da corrente
Do Ogum da beira-mar

Defuma esta casa
Com a espada na mão

12. DIVINE PRESENCE

(Sage Marie) *waltz*

Oh! Child of the Sun
Oh! Child of the Sea
Come along to the forest with me

Sing, Sing, Oh! Little children
Sing, Sing in a circle of love

It's in the perfume of the flower
It's in the song of the wind
Divine Presence, that comes to bless

Bless, Bless, Oh! Mother Oh! Father
Purify our hearts and comfort all souls

It's in the Sun and in the Moon
It's in the Stars and on the Earth
This light from the forest came to teach
us

Teach, Teach, your little children
Show us the way, Oh! Universal Queen

13. LITTLE BELL

(Kathryn Hoover) *waltz*

| The wind called to me
| Oh! Daughter of God
| I responded

With tenderness and with love
My heart is open

With the flowers of Yemanjá
The perfume of Mamãe

I heard a little bell
I keep following, I keep following

In this line of love
With all of my family

The sun with your brilliance
Illuminates all your children

I am light, I give light
For all to firm themselves

13. SININHO

(Kathryn Hoover) *valsa*

O vento me chamou
Oh! Filha de Deus
Eu respondi

Com carinho e com amor
Meu coração esta aberto

Com as flores de Yemanjá
O perfume da Mamãe

Eu ouvi um sininho
Vou seguindo, Eu vou seguindo

Nesta linha do amor
Com toda minha familia

O sol com vosso brilho
Ilumina todos vossos filhos

Sou luz, dou luz
Para todos se firmar

14. HEAVEN ON EARTH

(Trey) *waltz*

The face of the moon,
Illuminating,
Waking the life force in me
The shine of the sun,
Radiating,
Casting soft rays of love on me

A star descended into my heart
Showing me my destiny
A channel I AM, for God's love,
Serving eternally

The power of this force, burns like a fire
Purifying each and every thought
Surrendering, my mind slows down
Connecting the breath to my heart

The place of the heart
Is the key to the truth
Where God's profound secret is kept
Love your brother, as yourself,
And keep faith, through all of life's tests

⇒ ⇒

The forces of nature vibrate in me
Shake the earth and moan in the sea
The voice of the thunder
The sound of the rain
God speaks more closely to thee

Now is the time,
To connect with the Divine
God's calling us one by one
The illusion will break,
The truth will arrive,
And who has served, will become One

Remembering to live in harmony
Like a flower in God's garden
Respecting each one,
the great and the small,
and Old Mother Earth most of all

Softly I step, to take my place
In the kingdom of Sovereignty
I ask to receive, the truth in my heart
Thy will be done, on Earth as in Heaven

15. LIGHT IN THE DARKNESS

(Kim Brenner)

Light in the Darkness
Light in the Darkness
Help us Oh! God
Clean the hearts

Give me faith and love

Guide me Oh! Father
Guide me Oh! Mother
Guide my steps
In this world of illusion

Everything's going to shake
Everything's going to shake
But my king Jesus
He's going to dominate

The Holy Divine Light
The Holy Divine Light
Save all the souls,
And all agonies

15. LUZ NA ESCURIDÃO

Tudo vai balançar
Mas meu Rei Jesus
Ele vai dominar

A Santa Luz Divina

Salvai todas as almas,
E todas agonias

Viva the sun and the moon
Viva the golden light
Viva all the healings

16. PATH OF LOVE

(Ceú do Coração do Texas)

Following on the path of love
Following the hummingbird
The flower that he drinks from
I drink from too

A gentle breeze of peace
Soft waves of love
Washing my heart clean
Lifting me above

Please protect the children
Please protect my family
Give us strength and faith
Walking on this path

This is the same story
That comes from the Jordan River
We are all his children
We are all the same family

Children of the same sun
Children of the same moon
Shining in the sky
Filling us with love

I give thanks for this life
I give thanks for all the beauty
That I keep seeing
On this path of love

17. FLOWERS FROM HEAVEN

For all our brothers and sisters suffering

And I give thanks to my Mother
For this beautiful song of love

And with faith, I will triumph

God in the sun, God in the moon and in
the stars,
God on the earth, God in the wind and in

Eu sou um soldado da Rainha
E com fé, Eu vou triunfar

Deus no sol, Deus na lua e nas estrelas
Deus na terra, Deus no vento e no mar

Aqui na terra prestar bem atenção
Pra receber o amor no coração
Porque Deus é so uma estrada
Para mim nesta luz na escuridão

22. THE BEAUTY OF NATURE

(Céu do Hawaii)

| I firmed myself in the sun

In the wind and in the sea
The volcano and the Earth
And the mysteries that are in it

In the depths of the sea
It's the Queen Yemanjá

And with his silver lance
The King Ogum da Beira-Mar

I heard the sound of the waterfall
Chuá - Chuá

The rainbow and the flowers
The little birds and the waters
The beauty of nature
The gifts of the Mother

22. A BELEZA DA NATUREZA (Céu do Hawai'i)

| Firmei-me no sol

Nas profundezas do mar
É a Rainha Yemanjá

E com sua lança prateada
O Rei Ogum da Beira-Mar

Eu ouvi o som da cachoeira
Chua - Chua

O arco-íris e as flores
Os passarinhos e as águas
A beleza da natureza
Os presentes de Mamãe

Para seguir a Santa Luz

Porque a vida nova

É a vibração da luz

Seguindo o Beija-Flor

Quem nos dá as asas para voar

Voar para as alturas

O Céu e a terra alinhado

Nos entramos o novo mundo

O novo povo, a nova era

Com a força de São Miguel

Com o amor da nossa Mãe

Each bead, each prayer, a precious pearl
in her ocean

In the sacred silence, in the breath, in the

We are all one, We are all one

25. SONG OF DEVOTION

(Trey) *waltz*

The circle of life
Goes round again
How many times
Have we done this my friend

The window of your soul
Is open to me
I look inside
To find what I see

A reflection of light shines back to me
An eternal river that flows to the sea

Oh Mother of the waters
Oh! Queen of the sea
The fruits of your blessings
From this divine seed

The waterfall flows
And the little bird sings
A song of devotion
For those who can hear

The water of life washes all of us clean

⇒⇒ ⇒⇒

Oh! Holy Mary
That perfumes this garden
The flower that grows
And now blooms in our hearts

With faith in our Mother
Who holds our hand
Together will enter
The Promise Land

On Earth below, As in Heaven above

26. TO LIVE WITH MY PADRINHO (Drew Walsh)

| The Master received
| And the Queen declared
| With the force of the forest
| And the King of great love

| Our Master teacher,
| Our guide, our Master healer

Jesus Christ always lives
Inside of my heart
2000 years have already passed
But still he dominates

To dominate, illuminate
The sufferers that come to accompany us

My goal is very simple
For those who want to hear
Each day to always live
With a conscious mind

To awake, in concentration
To leave this world of illusion

26. VIVER COM MEU PADRINHO (Drew Walsh)

| O Mestre recebeu
| E a Rainha declarou
| Com a força da floresta
| E o Rei do grande amor

| O nosso Mestre ensinador
| O nosso guia, o nosso Mestre curador

Jesus Cristo sempre vive
Dentro do meu coração
Dois mil anos já passaram
Mas ainda ele domina

Para dominar, iluminar
Os sofredores que vem nos acompanhar

A minha meta é muito simples
Para quem quiser ouvir
Cada dia a viver sempre
Com uma mente consciente

Para acordar, em concentração
Para sair deste mundo de ilusão

27. MESSAGE OF THE ANGELS

(Christiana Sophia) *waltz*

The breeze of the sea (softly) blew
A message of the angels arrived
The Divine Presence
A treasure, my destiny
Of the stars, of Heaven, of the beyond

A star shining in the sky
Also shines within me
With prayers and attention
I will live in this garden

In this circle that goes and that comes
In this circle you're never alone
Because God is on our side
And all of our family

The mermaids of the sea enchanting
My little angel also enchants
A precious light
This perfumed flower
My God
Beautiful, beautiful

27. MENSAGEM DOS ANJOS

(Christiana Sophia) *valsa*

A brisa marinha soprou
Uma mensagem dos anjos chegou
A Presença Divina,
Um tesouro, meu destino
Das estrelas, do Céu, do além

Uma estrela brilhando no céu
Também brilha dentro de mim
Com as preces e os carinhos
Vou viver, neste jardim

Nesta roda que vai e que vem
Nesta roda está nunca sozinho
Porque Deus está do nosso lado
E de toda nossa família

As sereias do mar encantar
Meu anjinho também encanta
Uma luz preciosa
Esta flor perfumosa
Meu Deus
Formosa, formosa

28. WE ARE ALL HEIRS

Sing, Sing little bird sing
Sing, Sing with all love
Sing, Sing until the end of times
Sing, Sing Saint Michael ordered

The sun sets
I see the moon there above
And the first star in the sky
My heart is content
With the silence of God in my mind

Only God, Only God, Only God
Only God has the power
To awaken inside of each one
The truth that we are all heirs

The time passes, the hours go by
Thinking of the New Jerusalem
I thank my Father of Heaven
For these moments that touch my heart

28. TODOS SOMOS HERDEIROS

Canta, Canta passarinho canta
Canta, Canta com todo amor
Canta, Canta até o fim dos tempos
Canta, Canta, São Miguel ordenou

O sol se põe
Eu vejo a lua lá em cima
E a primera estrela no céu
Meu coração está contente
Com o silêncio de Deus em minha mente

Só Deus, Só Deus, Só Deus
Só Deus tem o poder
Para acordar, dentro de cada um
A verdade que todos somos herdeiros

O tempo corre, a hora se passa
Pensando na Nova Jerusalém
Eu agradeço a meu Pai do Céu
Por estes momentos que tocam meu
coração

29. HOLY WARRIORS

(Rocio Amir)

Navigating on this path
And celebrating with my Saint John
And all of the divine beings
That accompany in this salão

Salve the holy warriors of the sun
Salve the holy warriors of the moon
And the Virgin of Conception
Mestre Irineu and Padrinho Sebastião

I am a tiny little flower
Taking care here of this garden
I am a soldier of the queen
Lined up and firmed in this battalion

Walking with my Jesus
And the angels of the Holy Doctrine
Give me comfort and Give me courage
To continue on my journey

29. SANTOS GUERREIROS

(Rocio Amir)

Navegando neste caminho
E celebrando com meu São João E

Mestre Irineu e Padrinho Sebastião

Eu sou uma flor pequenina
Zelando aqui neste jardim
Eu sou uma soldada da Rainha
Perfilada e firmada neste batalhão

Andando com meu Jesus
E os anjos da Santa Doutrina
Daí-me conforto e Daí-me coragem
Para continuar na minha viagem

30. THE BEAUTIFUL SANTO DAIME

(T'ai Lin)

The Always Virgin Mother Mary
Forever I want to give praise
Firmed in the force of the waters
And in the sun of my father Oxalá

The sun that shines on the earth
For all to illuminate
There is no ugly and there is no beautiful
In the heart we are all equal

The water the runs in my body
This life that God gave me
I need to surrender to the waves
And always composed in my place

I thank the beautiful Santo Daimé
This blessing that Jesus gives us
The mystery that comes from the forest
To heal the family of Juramidam

30. O LINDO SANTO DAIME

(T'ai Lin)

A Sempre Virgem Mãe Maria
Eu quero sempre dar louvor
Firmado na força das águas
E no sol do meu Pai Oxalá

O sol que brilha na terra
Para todos se iluminar
Não tem feio e não tem bonito
No coração somos todos iguais

A água que corre no meu corpo
Esta vida que Deus me deu
Eu preciso me entregar as ondas
E sempre me compor em meu lugar

Agradeço o lindo Santo Daime
Esta benção que Jesus nos da
O misterio que vem da floresta
Para curar a Família de Juramidam

31. HOLY HOPE

(Destiny O'Dempsey)

I go on the waves
I am in the shaking
I am with my mother
With a Holy Hope

I ask for comfort
I ask for courage
I ask for calm
Of the wind and of the water

Oh my Daddy
Oh my Mother
Oh my little Mother
Of my heart

I want to hear
Your words
And forget the illusion
And firm myself on the journey

To live with joy
Obtain the forgiveness
Following on the path
Of the Lord Saint John

31. SANTA ESPERANÇA (Destiny O'Dempsey)

Eu vou nas ondas
Estou no balanço
Estou com minha Mãe
Com uma Santa Esperança

Eu peço o conforto
Eu peço a coragem
Eu peço a calma
Do vento e da água

Oh Meu Papapai
Oh minha Mamãe
Oh minha Maezinha
Do meu coração

Eu quero ouvir
As suas palavras
E esquecer a ilusão
E me firmar na jornada

Para viver com alegria
Obter o perdão
Seguindo o caminho
Do Senhor São João

32. NEW TIME

(Sisters of CdCdT & Shelly Searle)

Santa Maria is arriving
She comes to teach us
Listening to her teachings
Let us all work

The new moon, the full moon
Our mother is who gives to us
With the feminine force
She comes to comfort us

With love in the heart
With joy let's all sing
With firmness in the thought
And let whoever wants to talk

My brothers and my sisters
The new time is arriving
Smile, and believe
And let us all affirm this

Even with all the suffering
Firm yourself in the new life
Never forget this message
Of the beautiful Santo Daime

33. WE WILL RISE

(Susan Stroup Current)

| Following on this path of love
| Following this doctrine following this
| light

| With the sun the moon and the stars
| And the forces of nature for me to
| navigate

| Yemanja she comes to me
| Set me free on the waves of your sea

| And the wind blows through the trees
| Singing its song of sweet melodies

A song of ancient times
Sacred knowledge that we have
forgotten

A time where peace prevailed
All lived in harmony and connected to
nature

But now the shaking has arrived
We must know our direction is always
towards the light

⇒⇒ ⇒⇒

To remember we must cultivate this
light
Holding our flame in the darkest of
nights

The Earth turns and the time goes by
As we hold this prayer for our precious
human life

We Rise
We Rise (2x We will rise)
Children of this Earth
Children of God

34. SACRED MYSTERY

The vine, the leaf, the fire,
the water
The Sacred Mystery
That you have taught me

Firmed in the force
Concentrated in the mind
A point of light
My heart is open

Studying the lessons
Of our Master Teacher
He always gave his hand
He always gives love

I don't leave my line
Walking straight
Following the Holy Cross
This light in my life

Viva the Santo Daimé
The people of the forest
The King Juramidam
And the Queen of the Forest

34. MISTÉRIO SAGRADO

O Cipó a folha o fogo a
água

O Misterio sagrado
Que vós me ensinou

Firmado na força
Concentrado na mente
Um ponto de luz
Meu coração está aberto

Estudando as lições
Do Nosso Mestre Ensinador
Ele sempre deu a mão
Ele sempre da amor

Não saio da minha linha
Caminhando diretinho
Seguindo a Santa Cruz
Esta luz na minha vida

Viva o Santo Daime
O povo da floresta
O Rei Juramidam
E a Rainha da floresta
